SCHOOL OF PSYCHOLOGY THE UNIVERSITY OF QUEENSLAND

Founded in 1910 as the first university in Queensland, in 2007, UQ was ranked 33rd in the world's University ranking compiled by the Times Higher Education Supplement. The University is one of the only three Australian

members of Universitas 21 which is a select international network of comprehensive research intensive universities. UQ remains the most successful Australian University in winning the national teaching award in Australia. The university has more than 2200 highly qualified academic staff dedicated to teaching and research. The School of Psychology is located near the river of St. Lucia, 6 kilometers from Brisbane city centre, with an area 114 hectare. Brisbane has 4 seasons but the climate is similar to Indonesia.

With more than 50 courses offered for undergraduates along with internationally acclaimed teaching staffs. The School of Psychology at UQ is one of the most prestigious institution in Australia.

FACILITIES

UQ Library has one of the largest collection amongst academic libraries in

Australia and by far the largest in Queensland, including:

- Multiple copies of textbook held, including copies in High Use Collections for quick access
- Comprehensive quick reference collection
- Extensive manuscript, microform and pictorial collections

Other facilities are hot swimming pool, tennis and squash court, gymnasium, bank, academic assistance, bookshop, computer facilities including laptop and wireless network, computer training courses for student, health services, international student pool, international student support, and student dormitories.
